## ▲ RONIX COY

SIZES | 132 137 LEVEL | PRO ROCKER | HYBRID CONTINUOUS

Emily's **Coy** is a shape solely designed for the way girls ride. Instead of the angle generating the speed into the wake - the Coys' more vertical sidewall allows the tail to ride higher. Because the tail rides higher - more speed is generated from the attack angle, not the board angle.

BLANK **\$699.00**  
RRP \$769.00

w/ RISE BOOTS **\$1249.00**  
RRP \$1379.00

## ▲ RONIX DAHLIA

SIZES | 134 LEVEL | PERF ROCKER | HYBRID CONTINUOUS

The **Dahlia** consists of a hybrid rocker line which combines the predictability of a continuous rocker with the snap of a 3 stage. This shape doesn't feel neither fast nor slow thanks to the blended rail design, meaning the Dahlia will give a solid buck no matter how you ride.

# SISTERS

## DOIN' IT FOR THEMSELVES!

Wakeboarding has come a long way in recent year's. Arguably one of the bigger changes has been the direction in womens wakeboards. No longer just alternative graphics on guys boards, girls like Emily Copeland and Dallas Friday have designed and shaped their very own Womens specific rides.

## ▲ Jstar MUSE

SIZES | 131 136 LEVEL | ADV ROCKER | CONTINUOUS

The Jstar **Muse** will give you the inspiration you need to go out there and get creative. A sharp style board with plenty of pop; this is one ride that shouldn't be ignored.

BLANK **\$499.00**  
RRP \$599.00

w/ ISIS BOOTS **\$999.00**  
RRP \$1099.00

## ▲ OBRRIEN SKYLA

SIZES | 129 135 LEVEL | ADV ROCKER | 3-STAGE

Dallas Friday's **Skyla** is a fast 3-stage rocker board designed specifically for women riders who are looking for an advanced ride. A slightly pulled in tip and tail and a full length step down rail enhance performance for light weight riders with smaller feet.

BLANK **\$729.00**  
RRP \$809.00

w/ CHARGE BOOTS **\$939.00**  
RRP \$1129.00

**HYPERLITE SYN**

SIZES | 132 137 LEVEL | PRO ROCKER | CONTINUOUS

The board that helped Nicola Butler dominate this year's US tour. The **Syn** features a continuous rocker for a smooth kick off the wake and a variable edge design to allow for a fast approach to the wake without biting too much on transition.

BLANK **\$699.00**  
RRP \$779.00

w/ SYN BOOTS **\$1199.00**  
RRP \$1329.00

**HYPERLITE BLUR**

SIZES | 131 136 LEVEL | PRO ROCKER | 3-STAGE

The **Blur** offers a freeride shape that releases early off the wake and a 3-stage rocker, with graphics to suit the female who wants to rip! Also features a thinner tip and tail for reduced swing weight for those who like to spin.

BLANK **\$649.00**  
RRP \$719.00

w/ BLUR BOOTS **\$1029.00**  
RRP \$1139.00

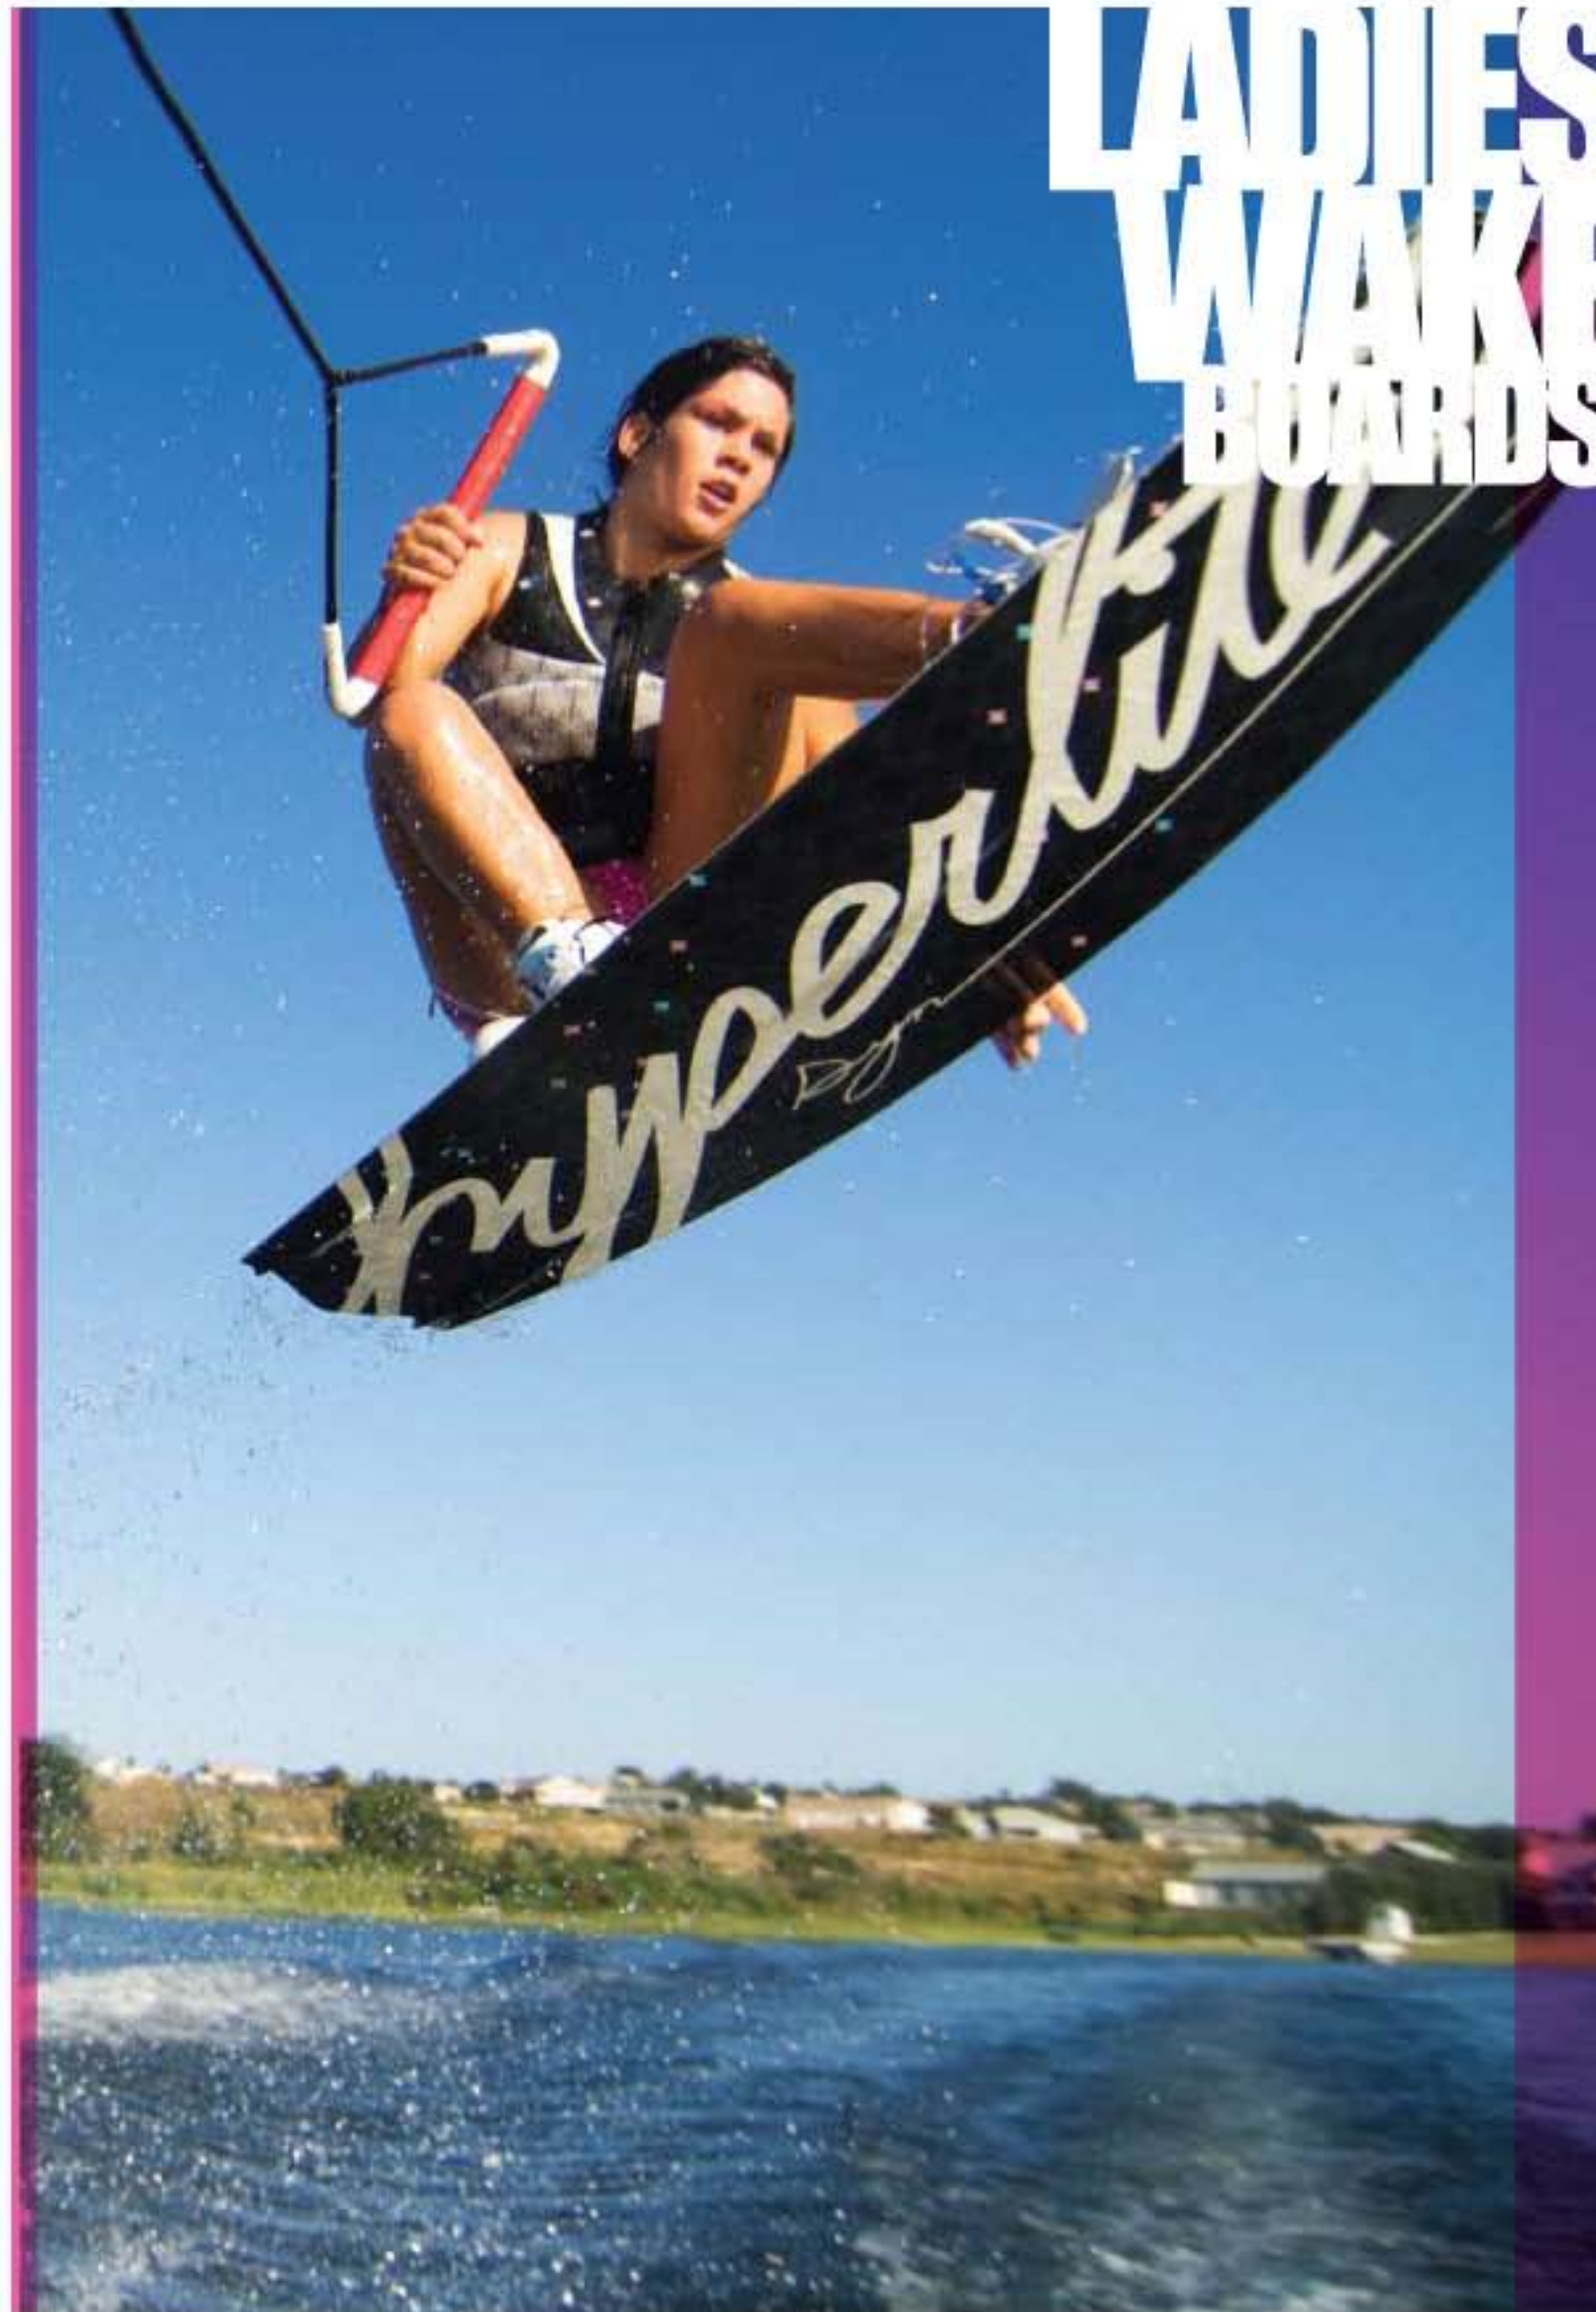

**HYPERLITE JADE**

SIZES | 129 134 LEVEL | PERF ROCKER | SUBTLE 3-STAGE

The **Jade** is the board for girls of all abilities. Molded-in toeside footbed and counter balancing top contours allow for maximum weight reduction. The toeside channel extension allows for an easier approach to the wake while on your toes.
